

DVD purchase checklist

Print one sheet per edition. Compare offers in the same currency.

Use the actual listing and player manual; keep this sheet with your receipt.

1 Identify the edition and check your player

Title / film year / season / cut: _____

Publisher / catalog number or UPC: _____

Format / disc region / PAL or NTSC: _____

Player model / supported format, region and video system: _____

Required audio, subtitles, SDH or audio description: _____

Disc count / desired extras / condition and missing items: _____

2 Compare the complete price

Currency: _____ Price + shipping + tax + fees - applied discount = total

Offer	Item	Shipping	Tax	Fees	Discount	Total
A						
B						

Compare equivalent editions and acceptable condition. Count each discount once.

Chosen seller / listing or order reference: _____

Return deadline / process / return shipping responsibility: _____

3 Check the delivery while a return is still possible

- ☐ Edition, region, disc count and promised extras match the listing.
- ☐ Each disc inspected before playing; damaged copies set aside.
- ☐ Every disc sampled: menus, chapters, required audio and subtitles.
- ☐ Problems documented with disc, time/chapter, symptom and player model.

Spot checks cover only the sampled portions; play through when practical.

Arrival / test date / seller contacted: _____
